

Post Results Service 2026

Dear pupil,

There is a post results service available for GCSE exams sat in Summer 2026. These services include access to scripts and the review of marking. Both services require written permission from the candidate.

On receipt of this form, please could you complete the pink consent form, sign, and date them. They should then be handed in to a member of staff on Results' Collection Day – Thursday 20th August 2026. **Please do not take them away with you.**

If you misplace your form- these are available on the school website. They must be emailed to hrw@lhs.lancs.sch.uk before your request for a review can be considered.

If you would like one or more of your subject papers to be considered for a re-check, review of marking, we need your consent. **It is the school's final decision to make regarding the review of marking.**

However, if you would like a review of your papers, please be aware, it will incur a cost of between £40 - £150 per paper, depending on the subject.

Where the school considers a remark or check in the best interests of the pupil, the school will fund the charge.

If you wish to request any of your scripts to be reviewed, you can use the following form: <https://forms.office.com/e/hQmAqy8XL5>

This form is also available on the School website.

If you do not wish the school to have access to your scripts, or send your script for a review of marking, please do not sign these documents.
