Excellence and ambition from all, for all

At Longridge High School 'Excellence and ambition from all, for all' is at our core. We are passionate about and committed to providing excellent all round learning experiences for every pupil, allowing them to thrive and develop in a supportive, secure and challenging environment where they can enjoy, aspire and achieve.

We aim to achieve this by providing an ambitious and fully inclusive environment where:

- Pupils are ambitious and aspire to achieve their fullest potential in terms of attainment and progress.
- Teaching and learning are at the heart of the school, engendering a life-long love of learning.
- Pupils are allowed to develop as ambitious, empathetic and self- confident young people who are well-rounded and fully equipped to face life beyond High School.
- We are continually reviewing and developing the curriculum so it is rich, broad and balanced.
- Mutual respect is promoted across the school with the highest standards of behaviour expected from all at all times.
- Success and achievement are recognised and celebrated across the school, with the strengths and needs of all pupils recognised, and individuality encouraged and celebrated.
- A rich and varied range of extra-curricular opportunities is provided as we believe this is intrinsic to a child's development and school experience.
