	Year 11 Personal Interviews with Colleges
Careers Corner every fortnight, we produced a newsletter; on the newsletter we share information to pupils/parents/carers of any College Open Events and Apprenticeship Vacancies.	
National Apprenticeship Week will showcase to all pupils and celebrate the positive impact apprenticeships can have and the diversity of career opportunities available.	
National Careers Week (NCW) is a celebration of careers guidance in education across the UK. The aim is to help support our pupils leaving education to make informed decisions about their futures and to promote careers to younger pupils, which will hopefully help them to start thinking about industries and jobs that they may want to pursue in the future.
