

Longridge High School

Excellence and ambition from all, for all

3rd December 2025

To Whom it many concern.

The Governing Board of Longridge High School, part of the Bay Learning Trust, is proposing a permanent reduction in PAN from 210 to 165 from September 2027.

The Governing Board increased the PAN to 210 at the request of LCC, in order to assist with school places in the area. However, after two years it is clear that these numbers will not be materialising.

In order to assist with planning for staffing moving forwards, the school needs to be realistic as to its expected intake.

The Governing Board would therefore like to return to the school's original PAN of 165.

Yours sincerely,

Mrs J Green
