Musical Theatre Workshop for Year 10 & 11 Students – A Fantastic Experience!

We are delighted to share that our Year 10 and 11 Performing Arts students recently enjoyed an inspiring Musical Theatre Workshop, delivered by the Musical Theatre Training Academy (MTTA) at Preston College as part of their industry work experience program.

The workshop was led by three enthusiastic first-year MTTA students — Evie Mortimer, Ella Graham, and Marvellous Williams — who brought incredible energy and passion to the session.

What Happened:

- A dynamic musical theatre warm-up
- Development of a song and dance from a popular musical
- A fun, interactive hour that showcased creativity and teamwork

The workshop provided our students with a valuable opportunity to learn from aspiring professionals and experience the excitement of musical theatre firsthand. If you want to find out more information please visit [Preston-College-MTTA-Prospectus-Digital.pdf](#)

A huge thank you to MTTA and Preston College for making this possible!

Year 10 Work Experience Programme

DEADLINE EXTENDED

Year 10 Work Experience Deadline has been Extended

Work Experience Update

The deadline for securing work experience placements has now been extended to Friday 30th January. This extra time is to support pupils who are still working to find a suitable placement. Please feel free to come and see Miss Lovatt if you are struggling with anything at all related to Work Experience—we're here to help!

Next Stage: Student Agreement Process

Once all placements have been confirmed, the next step will be completing the Student Agreement (Yellow) Form. This is an important document that ensures everyone understands the expectations and responsibilities during the work experience. **The Yellow Form will be issued at the end of January.**

Please look out for this, as it is a key requirement before the placement begins.

The Student Agreement will include:

- Full Job Description – outlining the tasks and responsibilities your child will undertake.
- Working Hours – including start and finish times, and any specific requirements.
- Health & Safety Information – highlighting any safety considerations relevant to the role.
- Workplace Code of Conduct – detailing the standards of behaviour expected in a professional environment.

The form must be signed by:

- Parent/Carer
- Student
- Employer

To obtain the employer's signature, your child will need to visit the workplace in person. This visit is a great opportunity to ask any questions and confirm details before the placement begins.

Thank you again for your continued support

What are T Levels!!!!

- T Levels are new, two-year technical education courses that will follow GCSEs and will be equivalent to 3 A Levels.
- T Levels have been developed in collaboration with employers, so that the content meets the needs of industry and prepares students for work.
- T Levels will offer students a mixture of classroom learning (80%) and 'on-the-job' experience (20%) during an industry placement of a minimum of 315 hours, with an average of 350 hours (approx. 45 days)
- T Levels provide the knowledge and experience needed to open the door into skilled employment, further study or a higher apprenticeship

Apprenticeships

How apprenticeships work

Apprenticeships are real jobs with real employers, allowing you to work, earn a salary and gain valuable qualifications and experience. With over 600 different apprenticeship standards covering everything from accountancy to zoo keeping, there is an apprenticeship out there for everyone. Apprenticeships offer choice, opportunity, qualifications, support and a head start into a future career.

Apprenticeships combine practical training in a job with study. As an apprentice, you will:

- ✚ be an employee earning a wage and getting holiday pay
- ✚ work alongside experienced staff
- ✚ gain job-specific skills
- ✚ get time for training and study related to your role (at least 20% of your normal working hours)

Apprenticeships take 1 to 5 years to complete depending on their level.

Amazing Apprenticeships is a leading organisation in the education sector.

[Amazing Apprenticeships | Explore Technical Education & Apprenticeship Resources - Amazing Apprenticeships](#)

For over a decade we have been working to tackle misconceptions about apprenticeships and technical education, promote their benefits, and push the boundaries of what the sector can do. Working with teachers, government and leading employers, we've already brought about a culture change in schools across England. And we're only just getting started.
