Excellence & Ambition from all, for all

**TEACHER OF SCIENCE: (Full time permanent)** required for September 2026, *or earlier*.  
2 posts available. The ability to teach some Computer Science would be beneficial.

## Main Professional Scale

Are you passionate about science and determined to make a real difference? At Longridge High School we believe our pupils deserve the very best – **‘Excellence and ambition from all, for all.’** If you are an inspirational and enthusiastic teacher who is committed to achieving the very best outcomes from pupils of all levels and ability, we would be delighted to hear from you. This position would suit an experienced or an early career entry teacher who would like to work in a happy and successful school.

## We are looking for:

- A person who really wants to make Science the centre of the school.
- A person who has the vision, drive, and motivation to help develop and improve the department further.
- An excellent teacher who believes every child has the potential to succeed in Science through teaching and learning that challenges and inspires young people.
- A person who can adapt and teach a highly ambitious and fully inclusive curriculum at both key stages.

## We can provide:

- A school which is moving forwards and developing to provide an excellent education for all its pupils.
- A Science team that have a real passion for their subject area.
- A strong ethos of high expectations and aspirations, with rapidly improving results in GCSE Science and Triple Science.
- The opportunity to grow and develop within a committed and supportive environment.
